

Style, comfort, value, and great features make our Designer Care Cliner unlike any other.

The Winco 6700 premium, full-featured clinical recliner has fully upholstered sides that add contemporary style, modern form, and unmatched comfort for your patients. Durable and comfortably contoured urethane arms protect the upholstered finish and are easy to clean. The 6704 incorporates pedestal feet instead of casters for a home furniture look. The full 6700 line features LiquiCell® in the seat adding even more comfort, reducing fatigue, and relieving pressure over longer sitting periods. Our NEW 6710 offers the same ultimate comfort but in an XL size with higher weight capacity and a wider seating area. Optional heat and massage completes the total comfort package.
