GrowFL Announces 2017 Florida Companies to Watch Finalists

*Winco Mfg., LLC Among Second-Stage Businesses
Competing to Earn Prestigious Honor*

(Ocala, Fla.) *Winco Mfg., LLC* was among the first round of 2017 *Florida Companies to Watch* finalists recently announced by GrowFL. The awards event - now in its seventh year - honors 50 select second-stage companies from throughout the state of Florida for developing valuable products and services, creating quality jobs, enriching communities, and broadening new industries throughout Florida. Chosen from a candidate pool of more than 800 nominations, the finalists collectively represent \$598 million in annual revenue and employ 3,200 full-time equivalent employees.

"Winco is honored to be considered for this recognition by GrowFL." Stated Tom Lorick, President of Winco. Mr. Lorick continued, saying "Making finalist from an initial group of 800 companies is fitting recognition for our efforts to grow our business, provide meaningful local employment and support our regional economy through our business and philanthropic activities. We're proud to fuel our growth right here in Ocala, FL!"

The *Florida Companies To Watch* program consists of two rounds of selections. Finalists now advance to the second round, where they will be further evaluated based on their performance in the marketplace, innovative products, services or processes, philanthropy and empowered employees.

"We applaud these first round finalists who have shown how they stand out in their regions as innovative business leaders, going to the next level to grow their companies. They are true rock stars," says Dr. Tom O'Neal, GrowFL Executive Director.

The Finalists represent a unique group of scalable, high-growth enterprises that are already located within Florida. These high growth enterprises are an important segment of our economy and their numbers have been steadily increasing, which contributed to Florida's ranking of 24 on the Kauffman Index of Growth Entrepreneurship. According to this report, "entrepreneurship is not a monolithic phenomenon, and it includes many moving parts. Creating new businesses is a different economic activity from running small businesses, which in turn is different from growing businesses." Florida Companies to Watch recognizes the different approach needed to successfully grow and scale a business, and celebrates those that are working to achieve this goal.

2017 FLCTW First Round Finalists – 2

Presented by GrowFL and developed by the Edward Lowe Foundation, *Florida Companies To Watch* is a distinguished awards program specifically designed to seek out second-stage businesses from a wide range of industries representing all areas of the state, not just those in major metropolitan areas. In addition to evaluating past growth and projected success, applicant companies are judged according to their special strengths and impact in their markets, communities and within the state – thus deeming them “worth watching.”

The winners will be announced in MID July. The 2017 honorees will be celebrated at the awards ceremony October 14th at The Straz Center for the Performing Arts in Tampa, FL.
