Suitable Applications

contract interiors
office
restaurant
hotel | motel | casino
healthcare
sunroom | patio
RV | auto | marine
residential

Specifics

width: 54 inches
roll size: 30 yards

*This term and any corresponding data refer to the typical performance in the specific tests indicated and should not be construed to imply the behavior of this or any other material under actual fire conditions.

Our vinyls, when tested with suitable component materials, may comply with California Technical Bulletin 133 and Boston Fire Code - Test BFD IX-1.

SPRADLING®

Care and Cleaning

Step 1 (eye shadow, mascara, grease, black felt tip pen, crayon, chocolate, and suntan lotion):
Remove excess spill with a damp cloth. Clean with a 1:1 mix of Ivory® liquid and water. Next, rinse with clean water and dry.

Step 2 (red lipstick):
Use a straight application of concentrated cleaners such as Formula 409® or Fantastik® spray cleaner. Wipe with a clean cloth, rinse with clean water, and dry.

Step 3 (blood, urine, feces, oil base paint, tar, and asphalt):
Use a 1:1 mix of ammonia and water, or a 1:4 mix of bleach and water. Rinse with clean water and dry.

Steps 4 & 5 (all other tough stains):
Step 4: Use a straight application of naphtha (lighter fluid). Rinse thoroughly with clean water and pat surface dry.

Step 5: Use a 1:1 mix of isopropyl alcohol and water. If the stain persists, use straight alcohol. Rinse thoroughly with clean water and pat dry.

Note: For cleaning that requires step 4 or 5, use a soft cotton cloth saturated with the cleaning material and rub the stain in circles 10 times. Pat dry with another soft cotton cloth and check the results.
