

EQUIPMENT EVALUATION AGREEMENT LETTER

WINCO welcomes your interest in our products and understands that you or your customer must give careful consideration to the purchasing and selection process. WINCO has found that a “hands on” evaluation of our products is very beneficial when making these important purchasing decisions. WINCO is confident that you will find all our products to have the highest quality, features and workmanship.

Please complete, read and sign the following agreement that acknowledges your understanding of this Equipment Evaluation Agreement. As soon as we receive this completed form we can arrange the shipment of our product to you. We can not ship a product if we do not have an Equipment Evaluation Agreement letter from you on file.

- 1) WINCO will pay for the freight from our plant to the ship to address (additional services i.e. lift gate , inside delivery are the responsibility of the recipient). As the dealer, you are responsible for return freight ONLY, if you decide to return our product(s).
- 2) The product(s) are available for evaluation for a period of 10 business days AFTER receipt of the product. It IS NOT to be subjected to regular use as a substitute or replacement unless you or your customer commits to a purchase.
- 3) Please contact WINCO after 5 business days to confirm the disposition of the product. There will be a 30% restocking fee for any product not returned to our plant on a timely basis. WINCO will not automatically arrange for pick up.
- 4) WINCO provides the proper carton and packing materials when a product is shipped. We ask that you save and USE THE SAME carton and materials when returning the product. Please repack the product carefully so no damage will occur during return transit. You will be charged for a new box, plus freight, if you discard the original box and packing material.
- 5) You agree to pay for any damage to the product (other than shipping) such as torn upholstery, broken parts or any work required refurbishing the product to a like new condition.

WINCO appreciates the opportunity to provide you and your customer with our quality products. We are confident they will exceed your expectations.

Do not hesitate to contact WINCO at **1-800-237-3377** if you have any further questions. Please fax or mail this completed Equipment Evaluation Agreement back to WINCO as soon as possible.
