TASK STOOLS

STANDARD: 4300 / 4308 | DELUXE: 4400/4408

Multi-purpose gas-lift task stools. Standard models feature a high-density plastic base. Deluxe models feature a polished aluminum base. Upgrade any of the above models with an optional foot ring (FR).

TASK CHAIRS

STANDARD: 4350 / 4358 | DELUXE: 4450 / 4458 | TALL: 4380 / 4388

Versatile caregiver seating featuring "one-touch" seat height adjustment and height-adjustable seat backs. The Standard and Tall models each include a high-density plastic base. The Deluxe models include a polished aluminum base. Our Tall model includes provides an additional 11.5" in seat height and includes a foot ring. A foot ring (FR) can also be added to any of the standard or deluxe models.

HIGH RESISTANCE CASTERS

HR Casters allow free chair movement when weighted or occupied, but resist unnecessary chair movement when unweighted or when exiting the chair. *HR Casters may not release and roll freely if occupant weighs less than 80lbs.
