

PRIVESS™ CLEAR-VUE

MODULAR SCREENS

KEY FEATURES

Privess™ Clear-Vue screens provide a see-through protective barrier solution with flexible applications.

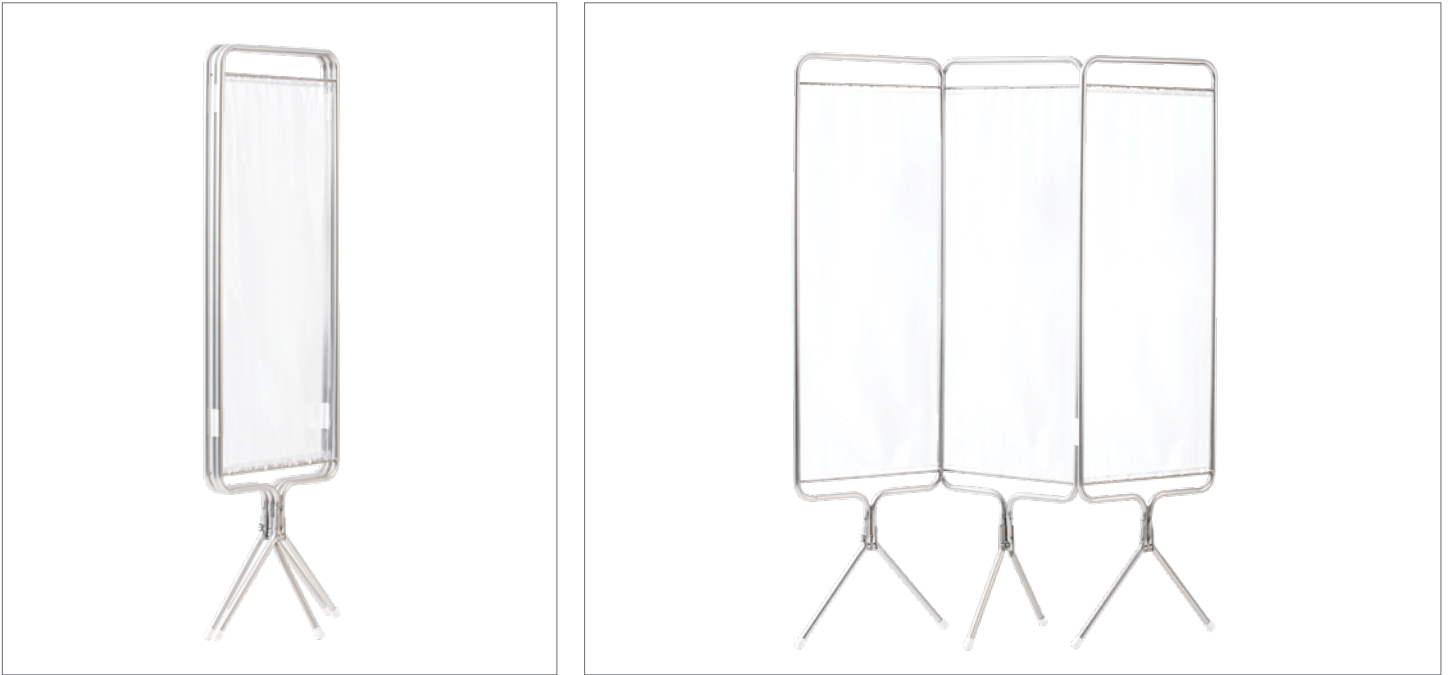

- Cost-effective
- Lightweight, portable and configurable
- Easily cleaned and disinfected
- Compact storage requirements

Privess™ Clear-Vue provides an additional layer of protection from airborne contaminants. The Clear-Vue feature is available as an option for 3 or 4 panel Privess™ Modular Screens.

The extreme flexibility makes Privess™ Clear-Vue a perfect solution for podiums and lecterns, workstations, student desks or for queuing situations where individuals may not be able to be adequately distanced and security concerns demand visibility.

Privess™ Modular Screens feature innovative clips that allow multiple screens to easily connect to one another to create unique shape and size solutions to fit any space or need.
